ST. MARY CATHOLIC SCHOOL

Explanation of Fees

Application Fee (New Students)

Covers the cost of processing new student applications. Part of the fee is charged by FACTS and part is charged by the school.

Enrollment Fee

Covers the cost of student textbooks/workbooks, student insurance, NWEA testing fee and the administrative costs of registration. It also covers the cost of software licensing, anti-virus software, internet and technology used in the classrooms, computer lab and library.

FACTS Payment Plan Fee

Charged by FACTS to maintain your payment plan account.

Tuition

Tuition collection supports the infrastructure and school costs. Tuition helps to pay teachers' salaries and group health insurance. It also works to support all educational needs in the school, including academic supplies, training, library resources and teacher support. Tuition does not cover all the cost to run the school. The parish invests in the education of each student of St. Mary Catholic School.

Multiple Sibling Discount

After the first child at full tuition rate, the remaining children in the family that are enrolled full time are given a $700 discount per child.

Before/After Care Fee

Fees cover the supplies and salaries generated by the program.

Fundraisers

We have several large fundraisers throughout the school year to help cover the gap between tuition and the cost of education. These fundraisers include Annual Fund, GALA, Golf Tournament and Steps for Students.

The mission of St. Mary Catholic School is to develop the whole child's moral, spiritual, moral and intellectual growth and well-being in a Catholic environment.
