

HOW DID THESE CRAZY BIRDS END UP IN MY YARD???

Congratulations you've been flocked by _____

In the spirit of fun, the St. Mary Catholic School 8th grade class has made friends with this flock of flamingos as part of our fund-raising effort for our trip to Washington, D.C., this spring. Our crazy pink friends are roosting in your yard temporarily before they mysteriously migrate to the next unsuspecting home.

This is the 13th year St. Mary's has had the opportunity for "Learning & Living U.S. History," taking what we are studying in our U.S. history class and seeing where so much happened by visiting the monuments, museums and the true fabric of this nation's history. Our "flock" is one of the ways we are making this trip a reality.

Rest assured, the flock will be migrating within 48 hours. Of course, the removal of these flamingos will be done at no charge but if you'd like to support _____ and our fund-raising efforts, we would really appreciate it!! Donations can be made by check written to St. Mary Catholic School, dropped off at the school or by FACTS.

Remember to take pictures and send to Laura.battle@me.com if you would like them shared on our school Facebook and Instagram.

Lastly, if you would like to SHARE THE FUN...consider sending this special flock on a migration path to one of your friend's lawn! You need only complete the bottom portion of this form.

If you would like the flock removed before 48 hours, please contact
