

SECOND GRADE NEWS

Week of:

January 23 – 27, 2023

Hello Parents!

Second Grade has MAP Benchmark Testing this week. It is very important your child eats a hearty breakfast to help their minds do their best work. Please also ensure your child gets a good night's sleep each day so they are fully rested and refreshed. Testing is nothing for the students to be stressed or worried about. It is simply just an opportunity for them to show us what they know. 😊

Here's What is Coming Up:

- January 23: Language Arts MAP testing.
- January 25: Reading MAP testing.
- January 26: Math MAP testing.
- January 27: No Mass- students wear regular uniform.
- 1/30 – 2/3: Catholic Schools Week

Spelling Homework Clarification

You will notice your student was given a new spelling work menu last week. It's a yellow sheet of paper. Your student can still use the blue spelling menu for their spelling work if they would like. The yellow menu is just some new options if they want to try something different.

For spelling homework, students still only need to complete 2 activities each week. They can choose to 1 from the blue menu and 1 from the yellow menu. Or they can do 2 from the blue menu and 0 from the yellow. Or they can do 2 from the yellow menu and 0 from the blue. Just as long as they have a total of 2 activities completed each week.

SPELLING WORDS:

Unit 20: oi and oy words

click, boy, joy, soy, toy,
toys, coin, coins, oil, boil,
join

Challenge Words:

forgive, penance, confess
