

# APRIL

The Week of the 4-19-24

## Learning Focus

Wow, this week flew by! In Religion, we talked about God Made Me: I Can Feel. Our theme for the week was Amazing Critters: Hopping Critters. Our letters were G, C, F and S. Our words were serenade and wheat. Our stories were Backyard Bugs and Grasshopper Gus. I can't believe we only have a month left. These kids amaze me every day. They are learning and growing in mind, body and spirit. Have a great weekend!
