

SEPTEMBER

The Week of the 9/16/22

Learning Focus

Our week was full of learning, fun and lots of smiles. I enjoyed seeing you and your children at the Open House. We are finishing up the letter Aa this week. We spent time drawing straight lines, the color red, number 1 and Little Red Riding Hood. These kids amaze me every day with their learning and growing. I am so blessed to be their teacher. Have a safe and fun weekend!
