NEWSLETTER

12/4/23

December is here!

Thank you so much to everyone, especially our parent and grandparent "chefs" at the Turkey Bowl! Though it rained cats and dogs, we still had tons of fun!

EXAM REVIEWS WILL GO OUT TUESDAY IN CLASS.

6th grade doesn't have a semester exam in social studies, but we will have a test on 12/11/23. It will cover ancient Egypt and the basics of economics, supply, and demand.

7th grade does have a semester exam in social studies on 12/11/23. It will cover the Spanish mission period in Texas history and supply and demand relationships. We have already taken our exam in religion.

Service hours are due soon. Each student needs 8 hours for this nine-week period. We do have a service opportunity coming up on 12/ 13/23 from the end of school to 5:30. It's our "Bag and Tag" party to help prepare the Devereux donations for delivery. Donations also count towards service hours. If you need help, please email me!

8th grade has lots of things coming up, including a semester exam on 12/11/23, a final project presentation due on 12/ 20, and our Colonial Christmas debate and feast on the 20th, as well. A letter about this will come home on Tuesday.

Please remind students to write their names and dates on papers, use pencil, blue or black ink, keep them neat, clean, and free of "extra drawings."

8th Grade specific: please start preparing for the Spaghetti Dinner fundraiser in January. We need every parent and every student to volunteer. We make lots of money from it, but it takes lots of hands to make it happen. One thing to keep an eye out for is patriotic or red/ white/ blue decorations.

Thanks so much to everyone for giving us such a wonderful 2023! As we move towards 2024, I can't wait to see what God has in store for us!
