

Surprise! You've Been Flocked!

In the spirit of fun, these flamingos are helping out St. Mary Catholic School 8th graders in our fundraising efforts for our annual trip to Washington, D.C. They are roosting in your yard temporarily because a friend has requested that they be sent to you.

For well over a decade, St. Mary students have had the opportunity to visit the sites, monuments, museums, and government buildings that bring life to what they have learned in history classes and to experience our nation's capitol today. These flamingos will be removed within

24 hours at no charge, but if you would like to support _____'s fundraising efforts to help defray the cost of this trip, we would appreciate it!

Please complete the bottom portion of this form to support our fundraising and to send these flamingos to a friend or family member!

If you want, send a picture of your flocked home to awhite@stmarylc.org to have it posted on the St. Mary Catholic School Facebook and/or Instagram pages.
